THE LOOK THEY WILL LOVE

SKETCH TO WEAR Contest Details

We're glad you've taken interest in the CPUT SKETCH TO WEAR CHALLENGE! Clothing is your canvas! So the goal is to create fantastic designs for 3 of the Courses within the Faculty of Informatics and Design that students will be proud to wear!

These are: FASHION DESIGN // PHOTOGRAPHY // PRODUCT DESIGN

The best designs will be selected by students through voting, then a panel of judges made up of our awesome sponsors and CPUT administrators.

The winning creators will be tasked to create designs for all the 12 departments at the Faculty. These will then be printed on hoodies, t-shirts and other brandable clothing launched at a fashion show! How's that for some respect?

Rules and stuff

1. The competition is open to all registered CPUT students from the Faculty of Informatics and design.
2. Competition runs from 1 April to 8 May 2019.
2. Because we believe good communities work together, contestants must be in groups of between 3 to 5 students to enter.
3. The deadline to submit all participation entries is 14 April, 2019.
3. One entry per student, meaning you can only be part of one contesting group.

Ready for the challenge? Collect an entry form at your faculty secretary offices, list your team members and get creative!
